WORK PLAN - 12th Turin Acro Cup 2026

3 - 5 July 2026 · Palazzo dello Sport "Gianni Asti" (former PalaRuffini), Viale Bistolfi 10, Torino

Welcome to Torino. Below you'll find everything you need to run your week with us: timing, online portal, meals, transport, photo and streaming services, and the small new things we've set up for this edition.

What is new in 2026

· A single online portal: login, paperwork, meals, party, transport requests, allergies. No more email ping-pong and no more Reservio.

· Live streaming on eventlive.pro is paid this year (€25 standard pass).

· Storymaker Studio is our official photo partner: pre-order packages online or grab single photos at their booth.

· Photo Booth: a self-service kiosk, independent from Storymaker. Scan your badge QR and you'll be on our Instagram in 30 seconds.

· Off the Mat Podcast: short interviews with gymnasts and coaches, recorded on Thursday and Friday.

Thursday, right after podium training

Photo Shooting

Right after your podium training slot, Storymaker Studio shoots every combination on the competition floor. Please show up in competition attire, training leotard, official tracksuit, or club T-shirt. **Sport tops are not acceptable.**

Height Measurements (Youth / Junior / Senior only)

Right after the shooting we run the official height measurements. Only required for Youth, Junior and Senior. Beginners, Pre-Youth and Open are exempt.

Online Portal, the Competition Desk

From this year on, everything operational with the OC happens on the new portal. One login, one place, no scattered emails.

How to access

1. Go to tools.acroba.to/competition
2. Use the credentials you received during registration. You can reset the password from the same page if you've lost it.
3. You'll land on the Dashboard. The Competition Desk section unlocks automatically during the event week.

Competition Desk, what you can do

Section	Purpose
Overview	A snapshot of your delegation: party booking, meals, transport, accommodation, financial summary.
Meals	Book seats on lunch and dinner slots. Split your group across slots and set allergies / diet per slot.
Welcome Party	Confirm attendance and pax. €30 if booked through the OC, €50 if not.
Local Transport	See the buses the OC has assigned to your hotel and request extra trips when you need them (see Transport section).
Transport view	Live schedule of all your transfers: airport pick-ups, hotel to gym, return drop-offs.
Messages	Direct line to the OC. Every message we send arrives also as email, so you don't need to forward anything.
Proforma / Payments	Download your latest pro-forma invoices (deposit + balance) and mark payments. Updated in real time on the Finance page.

Booking meals (lunch & dinner)

Lunch and dinner are at the gym restaurant (Ristorante Le Ferriere, Corso Trapani 190, Torino). Each slot lasts 45 minutes and seats up to 80 people.

Slot	Lunch	Dinner
1	11:00 to 11:45	18:30 to 19:15
2	11:45 to 12:30	19:15 to 20:00
3	12:30 to 13:15	20:00 to 20:45
4	13:15 to 14:00	20:45 to 21:30

How to book: Portal → Competition Desk → Meals. You can split your group across slots (say 12 pax at 18:30 and 8 at 19:15) but not book the same slot twice. To change a booking, open it and update the pax.

Booking deadlines (important!)

· The first lunch/dinner slot closes for bookings 1 hour before the start of the service.

· All other slots (lunch and dinner) close at the beginning of the meal service.

· **Without a booking we can't guarantee access to the restaurant and therefore to the meal service. Please book in advance.**

Allergies & special diets

Each meal booking has an "Allergies / diet" drawer. The restrictions you declared at delegation level (Vegetarian, Gluten-free, etc.) are pre-loaded: you only type the pax for this slot. Add a free-text row for anything custom ("peanut allergy", "no shellfish"). The kitchen gets the breakdown per slot, automatically.

Extra meals

Need a cover for a driver or a guest? Add it on the portal no later than the day before. Each extra meal is €20.

Welcome Party, Saturday evening

Saturday 4 July, 20:30. No bus tho the party venue, it's close to the gym. Confirm on the Desk → Party section.

Tariff	Price / person
Delegation booking through OC	€30
Delegation NOT booking through OC	€50
Not attending (booked through OC)	Regular dinner at gym hall

Transport

Every delegation booking through the OC gets its own transport schedule: airport pick-up, hotel to gym shuttles, return drop-off.

How the daily shuttles work

By default we schedule the first trip of the day (hotel to gym, in the morning) and the last trip of the day (gym to hotel, in the evening) for every hotel. Any other trip during the day, mid-morning, lunch, afternoon, is on request. If you need one, just ask in time.

Where to see your transfers

Portal → Competition Desk → Local Transport. The page shows 7 days of buses, sorted by date: route, pickup time, capacity assigned to your club. Each row tells you which hotel the bus stops at and when it reaches the gym.

Requesting an extra trip

Open the Local Transport page and click "Request extra". Pick day, time and reason (medical appointment, late arrival, extra airport pick-up). The OC sees it in the inbox and replies via portal + email. Cut-off: 6pm of the day before

Airport prices (if you are NOT booked through OC)

Airport	One-way price (per person)
Turin Caselle (TRN)	€25
Milan Malpensa (MXP), min 5 pax	€50
Milan Linate (LIN), min 5 pax	€60
Milan Bergamo (BGY), min 5 pax	€80

Competition Procedure

- **Opening ceremony:** two athletes per club, in tracksuit, behind the wall. Follow the competition area responsible.
- **Access timing:** warm-up area opens 16 P/G before your slot, training floor opens 10 P/G before. Volunteers regulate the transitions and entry on the competition floor.
- **After your routine:** head to the Kiss & Cry and wait for your score. Please then stay for the next unit and do not leave.
- **Rankings:** posted in the Accreditation Office at end of day and live online at scores.turinacrocup.com.
- No presentation to the judges is required, per current FIG rules.
- **Award ceremony:** tracksuit only, no leotard.
- **Ties:** resolved according to FIG rules.

Photo Booth

A self-service installation, **independent from Storymaker Studio**, that we run through the tools.acroba.to/storyboard platform. The Photo Booth turns the moment after your routine into a shareable Instagram Story in under 30 seconds.

Where to find it

Look for the "Storyboard" kiosk station in the field of play at Palazzetto Gianni Asti: an iPad on a stand, hard to miss.

How it works, step by step

1. Pick up your accreditation badge at registration. Every athlete's badge has a QR code printed in the top-right corner.
2. Walk to the Photo Booth tablet. Press "Scan a badge".
3. Hold up your QR code to the tablet camera. The booth recognises you and greets you by name.
4. Pick a background / overlay. A 3-second countdown starts.
5. Three photos are taken in sequence (smile, action, freeze).
6. Three previews appear: keep the one you like, drop the others, or redo the session if you want another go.
7. The Photo Booth publishes the picture directly on the official Turin Acro Cup Instagram, as a Story (100 available per day) or you can scan the qr to download the three picture mosaic to share in your social media.
8. Done. If you registered your @Instagram handle, you get auto-tagged in the Story.

Adding your @Instagram handle (so you get tagged)

Scan the same QR with your personal phone: it opens a small page where you can register your @Instagram handle. From that point on, every Story published from the Photo Booth with your badge tags you automatically. Once is enough.

Who can use it

Anyone with an OC-issued badge: athletes, coaches, judges, staff, volunteers, even Press & VIP guests. The booth is open during public hours of all competition days.

Privacy

Photos taken at the Photo Booth are meant for publication on the official Turin Acro Cup social channels. By using the booth you agree to having your picture posted. For minors, the parental consent collected at registration applies.

Off the Mat, Podcast project

Off the Mat is a short-interview podcast that gives a voice to the gymnasts and coaches behind the routines. Each episode lasts a few minutes: the story of the combination, the bond with the coach, the road to Torino.

How to take part

Each delegation is asked to nominate at least one combination + their coach. Bring more than one if you wish.

When: we record on Thursday and Friday, on-site.

Booking: we collect time preferences at accreditation, so come ready with the names.

Episodes go live on the OC social channels and on the main podcast platforms (Spotify, Apple Podcasts).

Medical Services

Italian Red Cross (Croce Rossa Italiana) personnel is on-site:

· During all training sessions (free training Wed, podium training Thu)

· During all competition days (Fri, Sat, Sun)

· Ambulance on site during the public hours of the competition (Fri to Sun, full day)

Outside these hours, call the OC on-call line for anything urgent.

Each delegation is responsible for its own accident and illness insurance. The OC isn't liable for incidents not covered by personal insurance.

Badges

Badges are personal and non-transferable, and required to enter the training/competition area, transport and meals. Lost badge: €150 replacement fee.

Tariff sheets & music

Tariff sheets and music files were uploaded through the scoring system. The deadline closed on 26 June 2026, no more uploads at this point. The DJs check everything on Thursday; if something is off, we'll reach out via the portal.

Bring a backup copy of your music on a USB key, just in case.
